At the moment the default primary school site is at

ceoweb15.ceo.net/primary

If you go here you will see the following main menu items:

Now the Question is : Do we need all of the top level headings?

1. Our School
2. Our Catholic Mission
3. Our Curriculum
4. Our Pastoral Care
5. Our Facilities
6. Our Community
7. Our Co Curricular

maybe Our Co Curricular is not required? Any thoughts?
